We are the liaisons between non-art-gallery merchants and you, the artist. We work hard to find the best fit for your style of art with regard to each individual shop owner's preferences. However, based on the popularity of this event we do the best to pair accordingly. There is no commission charged on artwork that sells and you conduct your own sales. It is the goal of the Downtown Campbell Business Association that the artwork enhances the atmosphere of downtown Campbell while providing artists an enjoyable and low cost venue to showcase their work.
